Welcome to the 34th Nordic Congress of Dermatology & Venereology, May 8-10, 2019

Dear All,

It is with great pleasure that the Swedish Society of Dermatology and Venereology (SSDV) and I welcome you to Gothenburg, Sweden on May 8-10, 2019 to celebrate the 34th Nordic Congress of Dermatology and Venereology (NCDV). We are positive that the modernly designed and centrally located Clarion Hotel Post will be an excellent venue for this fantastic event for all our members in the Nordic dermatological societies.

During three days, we will have the honour of listening to and interacting with talented Nordic researchers and speakers, we will enjoy plenary lectures by renowned international guests and meet with both old and new colleagues from our neighbouring countries. We are truly looking forward to hosting this meeting in Sweden and feel enormously privileged to have you as our guests.

Welcome to Gothenburg in 2019!

Best regards,

John Paoli, MD, Assoc. Prof.
Congress President
